

# JOB DESCRIPTION

<b>Job Title:</b>	Lecturer in Health & Social Care
<b>School/Service:</b>	Community Health & Midwifery
<b>Grade:</b>	H
<b>Responsible to:</b>	Head of School of Community Health & Midwifery

## Job Purpose:

To contribute to the academic development, course management, teaching, research development, and scholarship within the School in the area of Community Health & Midwifery

## Main Duties and Responsibilities:

1. To make a contribution to achieving the academic objectives in the School through teaching, research, and income generating activities.
2. To act as a module leader for a number of identified modules.
3. To undertake administrative duties relevant to module leadership (administer course registers, assessment records, learning programmes and other records).
4. To engage with the recruitment of students onto courses and to provide appropriate advice on progression and career opportunities.
5. To adhere to quality assurance and enhancement systems to ensure high standards are maintained and the student experience is enhanced.
6. To contribute to the development of the School's commercial activities, including consultancy, training and funded projects.
7. To participate in research as an individual or part of a team.
8. To develop and consolidate contacts with industry/employers and other external organisations.
9. Travel across a wide geographical area including UCLan's Westlakes and Burnley campuses is a requirement of the post.
10. To undertake any duties relevant to the School's activities and commensurate with the level of the post, as directed by the Head of School/designated Division Leader.
